FOOTHILLS Growler Can't stay long? Take a half-gallon of FOOTHILLS beer home in your Growler. Enjoy it soon and keep it cold to protect the crisp, blended flavors of hops and imported malted Barley. Rinse it when you are done and we will clean and sanitize it for you when you return for a refill. Treat your Growler with respect. It is your friend. Your Growler is also Winston-Salem's tastiest way to show your respect for our planet: every time you reuse your Growler instead of buying a six-pack, you're reducing the fuel and resources needed to manufacture, fill, ship, and recycle those bottles. Cheers to Mother Nature!
